

Microbial Friends & Foes

Research Experience for Undergraduates

Cornell University

• MAY 27 – AUGUST 1, 2025 • Ithaca, NY •

**Application deadline:
February 1, 2025**

For more information visit:

<http://bit.ly/MFF-CIHMID>

Structure

- May 27 – 30, virtual orientation
- June 2 – August 1, on campus at Cornell
- \$7,000 summer stipend (\$700/week)
- campus housing provided
- meal allowance
- travel subsidy

Research

- Work with a faculty mentor on an independent research project relevant to a specific host-microbe study system
- Learn and use tools of molecular biology, bioinformatics, immunology, evolution, ecology, applied microbiology
- Share the findings of your research at CIHMID- and Cornell campus-wide symposia in undergraduate research

Professional Development Workshops

- Science communication
- Planning for graduate study

To Apply, you must be:

- An undergraduate student interested in microbial interactions with eukaryotic hosts
- A U.S. citizen, U.S. national, or permanent resident enrolled in a college degree program
- *Minorities underrepresented in science, undergrads from small colleges, and first generation college students strongly encouraged*
